

Major Catalog in School of Mechanic and Engineering Science

Major	Research Field	Mode	Teaching Language
固体力学(Solid Mechanics) (080102)	00. 不区分研究方向(no need to specify research fields when applying)	Full-time	English
流体力学(Fluid Mechanics) (080103)	00. 不区分研究方向(no need to specify research fields when applying)	Full-time	English
工程力学(Engineering Mechanics) (080104)	00. 不区分研究方向(no need to specify research fields when applying)	Full-time	English
力学 (生物力学与医学工程) (Biomechanics and Medical Engineering) (080120)	00. 不区分研究方向(no need to specify research fields when applying)	Full-time	English
力学 (能源与资源工程) (Energy and Resources Engineering) (080124)	00. 不区分研究方向(no need to specify research fields when applying)	Full-time	English
力学 (航空航天工程) (Aerospace Engineering) (080125)	00. 不区分研究方向(no need to specify research fields when applying)	Full-time	English
