

Major Catalog in School of Advanced Manufacturing and Robotics

Major	Research Field	Mode	Teaching Language
一般力学与力学基础(General Mechanics and Foundation of Mechanics) (080101)	00. 不区分研究方向(no need to specify research fields when applying)	Full-time	English
力学 (力学系统与控制) (Dynamical Systems and Control) (080121)	00. 不区分研究方向(no need to specify research fields when applying)	Full-time	English
力学 (先进材料与力学) (Advanced Materials and Mechanics) (080123)	00. 不区分研究方向(no need to specify research fields when applying)	Full-time	English
力学 (工业与系统工程) (Industrial and Systems Engineering) (080126)	00. 不区分研究方向(no need to specify research fields when applying)	Full-time	English
